**REMARKS**

On 10/13/2016, at approximately 2147 hours, I responded to 108 Newfield St Apt 2 for a report of a possible attempted burglary. The complainant, , advised dispatch that the suspect tried to get into his front door then subsequently cut his window screen. He described the suspect as a black male, approximately 35 years old, wearing all dark clothes and possibly wearing a hooded sweatshirt.

In close proximity to the location of this incident, officers located a black male matching the above description walking on Newfield St approaching Liberty St. This male was wearing a dark colored sweatshirt, black pants and white sneakers.

This individual was approximately 1/4 mile away from the complainant's residence and was walking away from the location. He was identified as Larry Burney. He was patted down for weapons and officers located a small folding knife on his person.

advised that he heard his window screen being cut and then heard someone call his name through the window. He stated that he recognized the voice as a man he knew by the nickname of "LA". He stated that when he went to the window he saw LA standing there. He described LA as a tall black male wearing a black hooded sweatshirt, black pants and white shoes. stated that LA told him he was checking to see if he was okay. reported that LA then walked away from the window. stated that he and LA no longer get along and he fears for his safety.

stated that about 30 minutes prior to this, someone knocked on his door and when he looked through the peep hole he saw LA and two other individuals. He stated that they then jiggled his door handle attempting to get into his apartment. reported that he heard one of the males state, "we better get out of here" prior to them leaving.

s window screen was cut both vertically and horizontally. There was a long vertical cut on the right side along the frame as well as a long horizontal cut along the base of the window. The cut appeared to be done with a sharp object, such as a knife, due to the straight lines.

A witness show up was performed and positively identified Burney as LA, the individual who attempted to get into his apartment.

Burney was placed under arrest and charged with Criminal Mischief in the Third Degree (53a-117) and Criminal Attempt to Commit Burglary in the First Degree (53a-49/53a-101). Burney was held on a \$1,500 bond. Burney is scheduled to appear before Middletown Superior Court GA9 on 10/14/2016, at 0900 hours.

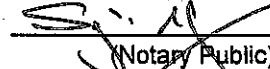

It should be noted that while in processing, after Burney was advised of his rights, he confirmed that he was at apartment and that he cut the window screen. He stated that he did so to check on to make sure he was okay.

Case closed.

Role : Arresting Action Date : 10/13/2016 Agency : MIDDLETOWN POLICE

**REMARKS**

The Middletown Police Department Narcotics Unit continually receives information regarding illegal drug activity from reliable confidential informants, informants, arrested persons, concerned citizens, anonymous callers and brother police officers. Detectives have received reports from the above mentioned sources that Brad Williams (aka by his street name

Bruno) has been selling narcotics in the Middletown and Cromwell area. Detectives were able to secure Williams cellular phone number (202-971-2086) that he uses to conduct his narcotics sales. Detectives have learned through a prior arrest that Williams has been selling crack cocaine to an arrested party.

At 1328 an undercover police officer contacted Williams on his cellular phone and until 1423 hours the undercover carried on a text and voice conversation in which I ordered .4 grams (\$40) worth of crack cocaine from Williams. Williams told the undercover to meet him at the Wendy's parking lot on Washington Street. When Williams arrived he got into the car with two undercover police officers. After identifying Williams as the individual that the undercover spoke with, Williams was approached by clearly identified Detectives. As they approached Williams saw them and attempted to discard a baggie of crack cocaine in the vehicle. Williams was taken into custody and the crack cocaine was recovered.

The suspected crack cocaine weighed .5 grams on a department scale. It tested for the presumptive presence of crack cocaine with NARK 13.

Williams was taken into custody and transported to the Middletown Police Department where he was fingerprinted, photographed and processed. Williams waived his Miranda rights in writing and told Detective Lemieux that he sold crack cocaine to support his habit and he is a user.

The cellular phone and crack cocaine were tagged as evidence.

Williams was held on a \$150,000 surety for violation of CGS 21a-279(a)(1) Possession of a Controlled Substance, 21a-278(b) Possession of Crack Cocaine with Intent to Sell, and 53a-49/21a-278(b) Criminal Attempt to Sell Narcotics.

Williams also had an active PRAWN warrant for violation of probation that was also processed.

Williams has prior convictions for failure to appear, 3 counts of possession of narcotics, 3 counts of violation of probation,
